**St. Peter's Nursery** - We're so excited about all the new babies that have been born into our community! Caring for a baby can be extremely challenging, and we want to help out. We want to extend an invitation to parents to take advantage of the St. Peter's nursery program. We would love to take care of your child so that you can be spiritually refreshed on Sunday mornings. Simply bring your child to the nursery under Cormack Hall (the gym) and we will follow any instructions you might have for us carefully. Since our nursery ministry is growing, we would like to extend an invitation to members of St. Peter's to join our nursery team once or twice a month. **A warm thanks** out to all that participated in our annual stewardship campaign, *Walking the Way*, which took place last month. As we journeyed together and reflected upon our response to God's love, we considered the central importance of giving back to God some of what he has given to us. We recognize that because of financial constraints some members of the congregation were forced to decrease their giving. We're pleased to announce, however, that we received an additional nine thousand dollars in pledges. This is exciting for a number of reasons. It is exciting because these pledges will go a long way in helping us achieve financial stability. But even more importantly, they are offerings to God that we know he will richly bless! Sincerely and in Christ, Rev. David Ney.
