The Fellowship of the Least Coin, The Basis of Belonging.

Concern for justice, peace and reconciliation and intercession for those in special need of God's grace.

The Token Participation

A 'least coin' set aside by the individual as each prayer is offered. These 'least coins' are contributed annually to a common fund from which grants are given in the name of Christian women throughout the world. There is no attempt to determine the amount of coins from any country, and it is important for this fund to be used for ministries of mercy in every continent. The Fellowship of the least Coin creates Christian community among those of different national, racial, cultural, economic and religious backgrounds and supports programs which work for justice and peace throughout the world. Yes, pennies are still being collected for as long as they remain legal tender. But we are moving on to the now least Canadian coin – the 5 cent piece. Some of those have already been received in donations. The ACW extends thanks to St. Peter's parishioners for the support of this fund over the past years. We look forward to your support in the future for the international work of The Fellowship of the Least Coin.
