On July 1, 2014, Canada will implement new [anti-spam legislation](#).

Unfortunately, the new legislation puts even legitimate communications in the category of "spam" so St. Peter's cannot send you the news and items of interest you want without your express consent.

The St. Peter's community is deep and wide and our relationship with you is valuable to us. We would like to continue to provide you with relevant information about our Parish, but in order for us to do so, we need your consent. Please keep us in your inbox by replying to this message before July 1, 2014. You can opt out at any time in the future by sending us another message with a request to terminate further e-mail communication.

By replying to this message, I consent to receive email about news, events, publications, educational opportunities, promotions and other valuable information from St. Peter's.

Further information about the new anti-spam legislation is available from the Government of Canada website at www.canada.ca and search for "anti-spam legislation".
