COMMUNITY PROJECTS

Loving your Neighbourhood! Over the next months, we will explore the missional needs of our neighbourhood, as well as evaluate our resources for mission. The study will include property, resource, and environment scans, and a facilitated Round Table meeting of local community leaders, and will result in an action plan for mission. This project is in collaboration with the United Church of Canada, and funded by the Calgary Foundation. We are looking for committed individuals to provide leadership and to take on tasks for this process. Please contact Jane, 403-252-0393 or Barb Crawford, 403-281-2578 for more information.

"WINDOW OF OPPORTUNITY"

The stained glass installation is well under way and we have had great support from the parishioners at the 8:00am and the 10:00am services. As you know, our goal is \$9000 and to date we have raised \$3860. It would be very good if we could install the window this summer, so if you have not had the chance to support this project and wish to do so, please place your donation on the collection plate, marking clearly that it is for the stained glass window installation, or contact Margaret or Martin Cull at 403-281-4405 to make other arrangements to donate. Thank you.
