COMMUNITY PROJECTS

Loving your Neighbourhood! Over the next months, we will explore the missional needs of our neighbourhood, as well as evaluate our resources for mission. The study will include property, resource, and environment scans, and a facilitated Round Table meeting of local community leaders, and will result in an action plan for mission. This project is in collaboration with the United Church of Canada, and funded by the Calgary Foundation. We are looking for committed individuals to provide leadership and to take on tasks for this process. Please contact Jane, 403-252-0393 or Barb Crawford, 403-281-2578 for more information.

Let there be Light: Have you purchased a piece of the stained glass window? We are currently raising funds for the window frame and supporting glass into which the stained glass will be inserted, and are close to the half-way point. For each \$20 raised, one more square on the window chart is coloured in. To donate towards the project, visit the display after the service; make a donation marked “stained glass window” through your offering envelope or at the office; or contribute online at <http://www.stpeterscalgary.ca/contribution.htm>.
