COMMUNITY NEWS

Stained Glass Window Update: We are in the final stages, and hope to install the window while the weather is good. As well, we have a new smaller desk for the upgraded sound system. The speaker in the foyer has been replaced, and now has a volume switch to enable us to control the sound. Please be patient with the sound people over the next few weeks as they learn to use the system, and do let them know if there are issues.

Upper Room – It is time to order for 2016. If you wish to receive the *Upper Room* (new/old subscriptions), please contact Bessie Romness at 403-281-5514

- Help fold bulletins each Friday
- Support parents with infants and small children by joining the nursery team
- Sign up to serve coffee on a Sunday morning
- Become part of a team to continue the monthly Community Dinners at Ohana Café
- Help complete the courtyard revitalization by donating time or perennial divisions from your garden.

Call the office to find out more; and stay tuned for more ministry opportunities next week

Loving your Neighbourhood! Over the next months, we will explore the missional needs of our neighbourhood, as well as evaluate our resources for mission. The study will include property, resource, and environment scans, and a facilitated Round Table in early October among local community

leaders, and will result in an action plan for mission. This project is in collaboration with the United Church of Canada, and funded by the Calgary Foundation. We are looking for committed individuals to provide leadership and to take on tasks for this process. **Please contact Barb Crawford, 403-281-2578 for more information.**
